MEETING DATE: October 12, 2021

AGENDA ITEM: 5A

TITLE:

Presentation on the Bastrop City Council's establishment of economic development policy directive.

AGENDA ITEM SUBMITTED BY:

Paul A. Hofmann, City Manager

BACKGROUND/HISTORY:

The Bastrop Economic Development Corporation (BEDC) is a Type B Economic Development Corporation as authorized by Chapters 501 and 505 of the Texas Local Government Code. The City Council is responsible for authorizing the creation of the corporation, appointing the corporation's board of directors, and approving all programs and expenditures.

The City Council and the BEDC met in joint session on July 12, 2021. A significant area of discussion was how to align City Council's focus areas and priorities with the strategic objectives of the BEDC.

The July 12 joint session and subsequent conversations have indicated there is work to be done to achieve alignment. A particular discussion point has been the lack of clear direction from the City Council on economic development objectives and priorities, and on the particular roles of the BEDC and City of Bastrop in achieving those objectives.

The City of Bastrop has contracted with Joe Esch of Esch Development Solutions LLC to facilitate the creation of clear and concise policy directive from the City Council. That policy directive will include an alignment of purpose of the BEDC with the City of Bastrop, the role of the BEDC in support of the city's economic development efforts, roles and responsibilities, and the operational relationship between the BEDC and the City of Bastrop.

The details of the program of work will be presented to Council on October 12, and include steps taken to receive BEDC input and keep the BEDC informed of the status of the development of the policy directive.

FISCAL IMPACT:

The estimated fee for services is \$10,545. Sufficient funds are budgeted for third – party facilitation services for the City Council.

RECOMMENDATION:

Bastrop City Manager Paul A. Hofmann recommends the City Council receive the presentation and provide feedback as appropriate.

AGENDA ITEM: 6A

TITLE:

Receive presentation on the unaudited Monthly Financial Report for the period ending August 31, 2021.

AGENDA ITEM SUBMITTED BY:

Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:

The Chief Financial Officer provides the City Council a monthly financial report overview for all funds to include detailed analysis for General Fund, Water-Wastewater Fund, Bastrop Power & Light and the HOT Tax Fund.

REVENUE

General Fund is exceeding the forecast by 22%. This is attributed substantially to development fees and sales tax. Sales tax is 14% above forecast (forecast was adjusted for the latest budget amendment) and the development services category of revenue is already \$1,329,551 over the budgeted amount.

Debt Service received the bond refunding proceeds which is an inflow of resources, and you will see on the expense summary an outflow of resources. This will be resolved with a budget amendment in October.

HOT funds revenue is short of forecast due to COVID-19 impacting the hospitality industry to a greater extent than projected. July was the first month revenues have exceeded forecast. August continued that trend bringing the shortfall down to 18% less than forecast.

The Capital Bond funds are short of forecast due to interest returns being lower than forecast.

All other funds are performing positive to forecast.

EXPENDITURES

Debt service has a transaction for the bond refunding.

Water/Wastewater received bond proceeds which resulted in a transfer out to the bond capital fund. This will be resolved with a budget amendment in October.

The cemetery is trending short of forecast due to several plot buybacks. This is offset by plot sales revenue exceeding budget.

This reporting requirement is set forth by the City of Bastrop Financial Management Policies, Chapter IV. Operating Budget, Section D. Reporting, as adopted by Resolution R-2021-80 on August 24, 2021.

Property tax represents 31% of the total General Fund revenue budget. As you can see from the forecast, they are generally collected from December to February. The actual is 2.5% over forecast. The timing of when these payments are received does not stay consistent from year to year which increases the difficulty of forecasting the monthly receipts.

AGENDA ITEM SUBMITTED BY:

Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:

The City Manager engaged NewGen Strategies and Solutions in May 2018 to perform a Water and Wastewater Rate Study. This study was to evaluate revenue requirements forecasted out over five (5) years and review current water and wastewater rate ordinance along with billing methodology. The consultant provided city staff with a rate model tool to be used to forecast rate scenarios based on actual and projected revenue and expense assumptions.

This rate model was used during the FY 2022 budget process to project revenue and expense assumptions. Based on this analysis the wastewater minimum charge is being increase by \$5.00 to \$46.97.

The Water and Wastewater Rate Study recommended that the city use a phase-in approach to increasing the demand charge by meter size for water meters to reflect the American Waterworks Associations meter equivalency standards. This step increase will continue through FY 2025.

Article III, Section 3.01(13) states the City Council has the power and duty to provide for a sanitary sewer and water system. Section 3.14 (9) states that action requiring an ordinance includes the amending or repealing of a previously adopted ordinance.

Approved on first reading by City Council on September 21, 2021.

STAFF REPORT

MEETING DATE: October 12, 2021

AGENDA ITEM: 9F

TITLE:

Consider action to approve Resolution No. R-2021-97 of the City Council of the City of Bastrop, Texas, awarding a service agreement to Tyler Technologies for implementation of the conversion to new software platform (V10), at a cost of Sixty-Seven Thousand Three Hundred Twenty and 11/100 Dollars (\$67,320) attached as Exhibit A; authorizing the City Manager to execute all necessary documents for the agreement; providing for a repealing clause and establishing an effective date.

AGENDA ITEM SUBMITTED BY:

Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:

The finance software that the city is currently working using is not the latest version available. The newest version has been out for many years, giving it time to work out kinks that always come with new versions. The V10 that we are wanting to convert to has many advantages. For IT, it is built in a more stable environment. For staff that use it, the functionality is more user friendly and much easier to get data and reports. The current version will not allow for running reports across fiscal years. This is not an issue with the new version. This new version comes with an Employee Self Service platform that is cloud based, allowing employees to access it from anywhere. The security in this version is more flexible and can be more granularly defined.

This upgrade is in addition to the new budget software that is a separate item in the budget.

FISCAL IMPACT:

Included in the FY2022 budget in General Fund One-time expense Page 75.

RECOMMENDATION:

Tracy Waldron, CFO recommends approval of Resolution No. R-2021-97 of the City Council of the City of Bastrop, Texas, awarding a service agreement to Tyler Technologies for implementation of the conversion to new software platform (V10), at a cost of Sixty-Seven Thousand Three Hundred Twenty and 11/100 Dollars (\$67,320) attached as Exhibit A; authorizing the City Manager to execute all necessary documents for the agreement; providing for a repealing clause and establishing an effective date.
